BIOLOGY IS AN EXCITING AND RAPIDLY ADVANCING SCIENCE. BIOLOGISTS ARE MAKING AN INCREASING CONTRIBUTION TO ENSURING THE WORLD BECOMES A HEALTHIER AND SAFER PLACE.

ENTRY CRITERIA: At least two Bs and three Cs at GCSE, including at least a Grade B (6) in GCSE English Language and GCSE Maths, plus at least two Grade Bs in GCSE Core Science and GCSE Additional Science or at least a Grade B in GCSE Biology and a Grade B in one other science at GCSE.

"I WOULD DEFINITELY RECOMMEND NEWMAN TO ANYONE. THE TEACHERS ARE SUPPORTIVE, THE SUBJECTS ARE INTERESTING AND THE FACILITIES ARE GREAT. I HAVE ENJOYED BEING STRETCHED AND CHALLENGED BY ALL OF MY SUBJECTS."

Emily Conroy-Oakes
Maharishi Free School

WHAT WILL YOU STUDY?

Over the two year course you will study an exciting range of topics, as well as participating in practicals. In the first year of this course, topics include Biological Molecules, Cells, Exchange Surfaces, Mass Transport and Genetics. In the second year you build on your knowledge from first year, as well as studying new topics such as Respiration, Photosynthesis, Populations and Gene Technology.

WHAT NEXT?

Studying Biology will provide you with an excellent opportunity to develop skills that will transfer to a wide range of University courses. You can go on to a science or medically related degree course such as Biochemistry, Dentistry, Marine Biology, Medicine, Neuroscience, Nursing, Optometry, Pharmacy, Physiotherapy, Sports Science and Veterinary Science.

The career opportunities are not limited to these, as many of our students who have left Newman have progressed on to degrees in Accounting, Art, Business, Drama, English, Languages, Law and Textiles.

£22,950

THE AVERAGE BIOLOGY GRADUATE CAN EXPECT TO ACHIEVE A STARTING SALARY OF £22,950.
