

CAREERS & PROGRESSION DAY

CARDINAL
NEWMAN
COLLEGE

FRIDAY 10TH JUNE

On Friday 10th June, college have arranged a 'Careers & Progression Day' that will help you prepare for making decisions about your future.

You will attend online sessions for each of your subjects in your usual block following the amended timetable below.

In addition to your timetabled blocks, you also need to attend one of the generic universities led sessions, each designed to support you in choosing universities, courses and preparing personal statements. These sessions are 'impartial' and are not aimed at promoting a particular university, so choose whichever one fits in with your free blocks. There is also a virtual Degree apprenticeship talk at 9.15am – 10.00am and all students are welcome to attend.
