Buy online <https://www.16-17saver.co.uk/> or <https://www.16-25railcard.co.uk/>

HELP WITH TRANSPORT COSTS

Visit <https://www.cardinalnewman.ac.uk/student-services/college-bursary/> for details on financial assistance available and how to apply.

To make purchases the college uses Wisepay for items such as bus passes, books, calculators, trips, topping up printer credit and food and drink payments etc.

Please type <https://www.cardinalnewman.ac.uk/apply/wisepay/> into your web browser. You just need to click forgotten password and you will then be able to set-up your account/password. For new students this will be your personal email address, the one you used to apply to college with. Once your account has been activated we strongly recommend you download the Wisepay App. You will need the college's organisation code which is 87731681. The advantage of the App is that you can create separate accounts for Parents/Guardians and Students, you can check out quicker and there are also 'quick top up' options.
