

Dear Parent / Carer,

Higher Education Application Evening for Year 12 Parents

On the **evening of Thursday 4th April 2019**, there will be a Higher Education/progression advice evening for parents/carers. This will be held in the Newman Theatre in St Wilfrid's Building (please use the entrance on Lark Hill Rd).

The times for the presentations are below (please **only attend one session** as the presentation is repeated four times).

4.00pm or 6.00pm for Surnames A-K (attend one session only)

5.00pm or 7.00pm for Surnames L-Z (attend one session only)

On this evening Senior Tutors will explain the progression options and this will include information on how you can support your son/daughter with the process of university research and making an application to UCAS, as well as how you can support them with apprenticeship choices. The college careers team will also be available to offer guidance and support and answer any questions you may have regarding these progression options.

Students do not need to attend this event as all the information given is repeated for students via tutorials.

This is a fantastic opportunity to find out more about progression options available for your son/daughter when they leave in 2020, and we look forward to seeing you on this evening.

Regards,
