CAREERS AT NEWMAN

Our qualified careers team support students in making decisions and choices for their future.

There is a dedicated area in the St Wilfrid's building with a range of careers information, university prospectuses and online resources.

Staff are available Monday – Friday for students to drop in or book a 1-1 careers interview to discuss individual career plans.

The careers team also organise a range of guest speakers to visit college throughout the year to deliver a diverse range of talks and they also organise Higher Education and employability fairs to benefit all students.

For those students choosing an employment route when they leave College, we offer employability workshops throughout the year to support with CV writing, application forms, personal statements and mock interviews.

The careers team can be contacted by email at careers@cardinalnewman.ac.uk or telephone **01772 460 181** ext. **2014**.
